## About MI Home Services

We are pleased to introduce ourselves to you as we are working in the field of designing since 1997 and later in 2009 seeing revolutionary changes in the market where all the business were involving IT in all respects we started a new branch for website development / designing.

When we started our company our aim was to be a successful company and our asset was our first client and now we are standing with more than 1700 clients all over Pakistan, we have some international clients as well. Still we have goals to achieve and our clients are always with us, we never left any of them behind as we care for them a lot.
